

Dear Colleague,
the **extended deadline** for abstract submission at ECCM15, the 15th edition of the European Conference of Composite Materials is at the **end of this month**.

We are proud to inform you that the event received a great worldwide interest: 26 scientific and technical Organisations from all over the world gave their patronage to the conference and several companies decided to give their technical and financial support. More than 1700 colleagues from about 80 countries already registered at the website and more than 1000 abstracts were submitted so far. ECCM15 will be definitely a great event where you can meet the best scientists and researchers in the area.

Do not miss the opportunity to be part of ECCM15! If you like to participate and contribute to this event, we invite you to register at www.eccm15.org and **submit your abstract by the end of this month**. Please consider the possibility to associate your abstract to one of the more than 60 thematic sessions organised for the event (see the TS list at: www.eccm15.org/page.php?id=90).

On behalf of the European Society for Composite Materials, we also invite submissions for the **ESCM Award**. The award recognizes the accomplishments of a young researcher who has made significant contributions in the field of Composite Materials. Further details can be found here www.eccm15.org/assets/114/ESCM_Award1.pdf , www.eccm15.org/page.php?id=99

Sponsorship: Companies interested to be partner of the event may consider the sponsorship and promotional program available here www.eccm15.org/promo.pdf, www.eccm15.org/page.php?id=47

We look forward to see you in Venice
Have a nice day and best regards

The ECCM15 Conference Secretariat
