Upon acceptance of your abstract, a Technical Paper is due by May 01, 2024. Note: Acceptance of your abstract is not a guarantee of poster or oral presentation.

**See you in Belfast!**

#### Main stream Applications

- Aerospace
- Automotive
- Marine
- Civil Engineering
- Sports and Leisure
- Energy applications
- Space applications

#### Main stream Raw Materials and Semi-finished products

- Thermoplastics
- Fibres, Resins and Interfaces

#### Main stream Manufacturing

- Manufacturing
- Automation
- Additive Manufacturing
- Tooling
- Joining, Bonding and Repair

#### Main stream "Specialties"

- Sustainability and circular economy
- Hydrogen and new energy sources
- Digitalization and AI for Composites
- Design and Modeling
- Hybrids and Sandwiches
- Structure and Process Simulation
- Testing and Characterization
- Textile composites
- Industrial Innovations / Start-ups

**CALL FOR PAPERS**

[www.sampe-europe.org](http://www.sampe-europe.org)

# Your target groups within reach

## **SAMPE Europe E-Letter**

The regular online SAMPE Europe E-letter reaches an international subscriber-only audience of 24,000 Global and 3.000 European.

## **SAMPE Europe website**
